Other Points of Note:

Only 3 fixtures / results were recorded for the 2nd XI. As the following summer saw WOG merge with Worthing to become effectively WCC's 2nd XI side/Feeder club, WOG's own 2nd XI finished, as some of WOG's better players ended up representing WCC itself.

Results:

15 / 7 / 22 YMCA II 80, **WOG 2nd XI, 68**, played at Broadwater Green.
 5 / 8 / 22 Yellow Hammers 43 & 79-9, **WOG 2nd XI 37**
 7 / 8 / 22 East Worthing, 125, **WOG 2nd XI , 30 & 56** . Played Away. Lost by Innings.

William Tree is left at the top of the list as he was shown in press as winner of 'A' averages. Similarly, McCormack took 3-18 in same match that saw Police bowled out for 37.

Other Points of Note: Southwick 'A' were bowled out for 26 after Worthing 'A' had scored 83.

CC Markwick took a **Hat-Trick** v. Storrington, Home, 2nd June 1923

Other Points of Note:

Although no formal announcement that the Cricket Club had been reformed, result started to re-appear in the newspapers from June onwards. Said to have been the Footballers of WOG FC who wished to re-start the Cricket Club. The players who had formed the orginal WOG CC in 1922 had merged into Worthing CC when the Manor ground was opened and continued to play and administer that club. So effectively the 1934 re-start was a fresh start but nonetheless had the ties to the WOG 'Club'

Grammarians

All four match scorecards appeared in the newspapers - principally the Worthing Gazette.

Top Score 203-9 - which for the time was a rarity to pass 200. In the first game back, away to Barns Green. 23rd June 1934. Joyes 67n Highlight being that chasing BG's 163-8 WOG's were 127-9....but scored the winning runs...and continued to 203-9 as Joyes 67n was supported by L Edwards in putting on 76 unbroken for the 10th wicket.

Lowest Score Scored 75 against Shoreham GS who could only manage 33 in reply. 21st July 1934.

Opponents

Shoreham GS's 33 would actually be surpassed the following year - when they scored 22 !

50 & 5w In Match		
Peter Bromley	63	7-54

15th July, Dorchester Casuals. Tour.

Other Points of Note:

Dave Rickards took 9-11 and 5-33 in the two innings match against Brighton & Hove on 4th July. Thereby taking 14-44 in a day! The following weekend he took 7-38 & 4-24 against Bayford & Hertford Nondescripts for another 11-62. Equating to 25-106 for the two matches. Unlikely ever to be beaten.

However, having taken 104 wickets I suspect he was less than happy to see Bromley take the averages by 0.02 !! Rickard also took all 8 wickets that Felpham lost in chasing down OG's 62. He took 8-23 as Felpham got to 63-8, thereby missing the chance of all 10. Ray Knights 6-9 was from 8 overs, Rowes Hornets, 22nd May.

Grammarians

Top Score	186-7	26th June away to Worthing 'A'
Lowest Score	42	Played at the Rotary ground v. Old Azurians on 19th June.

Opponents

Brighton & Hove scored 40 when Rickards took his 9-11

WOG's beat Lewes St Michaels by 10 wickets on 24th July. However, having passed LSM's score of 69, OG's continued with their own innings and reached 146-2 at the close of play. Which was fairly customary in those days in order to extend the match.

With Tony Watts injured early season, the bulk of the bowling fell on the shoulders of 21 year old seam-bowler, Neil Hewitt. Of Whom the Worthing Herald featured an article in their 22nd July edition that he'd taken 36 wickets at less than 2 runs per over. In 6 matches he bowled 79 overs for 92 runs with 30 wickets in those selected matches. An average of just over 3 runs per wicket!

Worthing Herald reported that as Watt was injured and vice-captain Dawson was on holiday, David Lewis Captained at Staplefield and was 39 no when he was knocked out cold having been hit behind the ear and taken to hospital where he remained for the rest of the day. The 3rd person to stand in for the missing skipper was Brian Moore who despite Manor being 80 all out, saw bowlers Lyons 6-22 and Hewitt 4-14 bowl Staplefield out for 42.
